

Lanier Christian Academy’s dress code is intended to honor God and encourage modesty, decency, and propriety. Furthermore, a dress code allows the teacher to focus on academics without wasting precious classroom time. It is expected that students always maintain high standards of modesty and decency. All elements of the dress code should be honored inside the building upon student arrival at school and remain in effect until the end of the school day. Provisions and standards relating to modesty and decency should be respected by the students and are enforceable by the staff anywhere on the campus (inside the building or on the grounds) at all times.
